ICEA ECOBIO COSMETICS CERTIFICATION

The products of **Eco Bio Cosmetics and Natural Cosmetics** ICEA guarantee :

- **Formulations** consisting of ingredients of natural origin, selected on the basis of criteria of environmental sustainability and healthiness.
- In the case of Eco Bio Cosmetics products, surfactants, functional principles and plant extracts **from organic farming and certified** based on the main international regulations.
- **Mandatory tests** on the finished product to prevent unwanted effects.
- **Truthful labels and claims** supported by a reliable scientific test or bibliography.
- **An independent control and certification system** with international accreditations, which makes the rules, the lists of companies and certified products (including the ingredients) public and responds to questions asked by consumers.

DESCRIPTIVE SHEET FOR MAIN ACTIVE COMPONENTS*

Ingredients	Properties
Glycerin	Glycerin has moisturizing and smoothing properties. This substance has many

Ingredients	Properties
	benefits, such as providing great hydration and reviving hair and skin.
Aloe Vera (Aloe Barbadensis Leaf Juice)	Aloe is a thick and rich plant. Aloe Vera gel with Shea butter is a multifunctional ingredient. Soothing and Hydrating properties. It is especially used for after-sun products or treat red and irritated skin.
Olive Leaf Extract (Olea Europaea (Olive) Leaf Extract)	Olive leaf extract is rich in polyphenols that have antioxidant properties. It is often used in cosmetic products to treat and prevent skin aging.
Oat Extract (Avena Sativa (Oat) Kernel Extract)	Oat is a cereal often used in cosmetic products that treat dry delicate skin. It has hydrating, softening and calming properties for itchy skin. Excellent for children's delicate skin.
Hydrolyzed Rice Protein	Hydrolyzed Rice Protein is a vegetable keratin. This vegan protein gives elasticity and softness to the skin. It also has great hydrating capacities.

- Warning: the descriptions listed above are to be referred to the active properties reported in literature. This regulation relates only to cosmetic products and not to medical products. Cosmetic products may include any emulsion, lotion or substance intended for external application (skin, hair, nails, lips and external intimate hygiene) or for care of the teeth and the mouth, whose exclusive purpose is to clean, perfume, change the aspect, protect, maintain their well status or eliminate body odor. (Regulation (CE) n. 1223/2009).
