

ECO NATURAL SOAP CALENDULA

COLOR:	White
IDEAL FOR:	Dry and delicate skin.
PROPERTIES:	Hydrating and Soothing

Greenatural's open air Calendula eco-soap is handcrafted in Italy into a wooden mold through a cold process method.

It is 100% plant based. Main ingredients are: coconut oil, olive oil or vegetable glycerin, herbal extracts, organic and natural essences.

Free from animal and/or industrial fats.

This cold saponification process makes this soap extremely soft and elastic, and the foam from this soap delicately clean and makes this product suitable even for those with sensitive skin.

Cold-process all natural Handmade Soap.

INGREDIENTS

Ingredients: Cocos Nucifera Oil, Aqua, Sodium Hydroxide, Parfum, Calendula Officinalis Oil, Potassium Hydroxide, Citric Acid, Sodium Phytate, Calendula Officinalis Flower, Amyl Cinnamal, Citronellol, Eugenol.

DESCRIPTIVE SHEET FOR MAIN ACTIVE COMPONENTS*

Ingredients	Properties
Coconut Oil (Cocos Nucifera Oil)	Coconut oil is the meat of mature coconuts. Thanks to its high saturated fat content, it rapidly absorbs and leaves skin soft and smooth.
Vegetable Glycerin	Glycerin has moisturizing and smoothing properties. This substance has many benefits, such as providing great hydration and reviving hair and skin.
Calendula (Calendula Officinalis)	Calendula Extract is often used in cosmetics. It has soothing and healing properties and for this reason it is excellent for sensitive skin and it is particularly used in children's products. It is a true balm for the skin.

* Warning: the descriptions listed above are to be referred to the active properties reported in literature. This regulation relates only to cosmetic products and not to medical products. Cosmetic products may include any emulsion, lotion or substance intended for external application (skin, hair, nails, lips and external intimate hygiene) or for care of the teeth and the mouth, whose exclusive purpose is to clean, perfume, change the aspect, protect, maintain their well status or eliminate body odor. (Regulation (CE) n. 1223/2009).
