

CALENDULA OINTMENT

In Sunflower Oil

Calendula oil is a natural oil extracted from marigold flowers, often used as an alternative treatment.

Calendula oil has anti-inflammatory and soothing properties that make it useful to healing wounds, eczema and to treat baby's rash.

INGREDIENTS

Ingredients: Helianthus Annuus Seed Oil*, Calendula Officinalis Flower Extract*, Tocopherol. *From Organic Agriculture.

USE

Flushing: delicately massage a few drops of oil to restore the normal physiological conditions of the skin.

Diaper Rash: Delicate and highly tolerated by baby's skin, therefore it is excellent to prevent diaper rashes and irritations.
