Greenatural

Technical Data Sheet Rev.01 19/10/2020

DISHWASHER SALT

Pure rock salt

Greenatural dishwasher salt is made of pure rock salt with no additives that completely dissolves in water.
Prevents residue formation in water softener, reduces water hardness, avoids formation of limescale deposits and clouding dishware.
Increases cleaning power and assures a proper functioning dishwasher.

CHEMICAL COMPOSITION (Reg.CE 648/2004)

Ingredients: Sodium Chloride.
Please go to the european union website for more detailed information on the INCI/CAS
http://ec.europa.eu/growth/tools-databases/cosing/

HOW TO USE

Fill the dishwasher salt reservoir according to the manufactures's instructions. We reccomend keeping the reservoir full by regularly adding salt. If you have to empty the reservoir after adding salt, run a brief, empty cycle.

WARNING

Product not edible.

APPEARANCE:	Solid
COLOR:	White
FRAGRANCE:	Odorless
pH	In 100g/L alkaline to neutral solution
HOW TO STORE:	Store in a cool, dry place
PACKAGING:	Box
VEGAN:	Yes
