

EN. LUMINA MAKEUP REMOVING CLEANSING BALM

with extracts of mallow, oat and chamomile

For clean, hydrated skin

Melt away make-up and impurities

Aiab EcoBioCosmetics Certification

Perfect for normal to oily skin types, including those with even the most sensitive skin, Greenatural's moisturising Cleansing Balm gently removes make-up and impurities without stripping the skin of its essential moisture.

This cleanser transforms into milk upon contact with water, leaving **skin clean, soft and nourished**. Enriched with a **delicious cocktail of calming and soothing extracts**, including oat, burdock, calendula, chamomile and mallow to feed the skin with softening nutrients and to support the skin barrier.

This cleansing balm also doubles as a mask.

INGREDIENTS:

Ingredients: Cocos Nucifera (Coconut) Oil, Cetearyl Alcohol, Aqua [Water], Ethylhexyl Palmitate, Butyrospermum Parkii (Shea) Butter*, Lauryl Glucoside, Polyglyceryl-2 Dipolyhydroxystearate, Glycerin, Copernicia Cerifera Cera (Copernicia Cerifera (Carnauba) Wax), Cocamidopropyl Betaine, Acacia Concinna Fruit Extract, Balanites Aegyptiaca Fruit Extract, Gypsophila Paniculata Root Extract, Arctium Lappa Root Extract, Avena Sativa (Oat) Kernel Extract, Calendula Officinalis Flower Extract, Chamomilla Recutita (Matricaria) Flower Extract, Malva Sylvestris (Mallow) Leaf Extract, Tocopherol, Potassium Sorbate, Sodium Benzoate, Sorbic Acid, Parfum (Fragrance).

*From Organic Agriculture

USE:

Make-up remover and cleanser: For the first step of your skincare routine, apply a small amount to dry face and neck and massage gently to melt away make-up. Rinse thoroughly before moving to step two, a water-based cleanse with the gentle Cleansing Foam.

Hydrating face mask: Apply a layer on cleansed, dry skin and massage. Leave on for a couple of minutes. Rinse and pat dry.

AIAB ECOBIO COSMETICS CERTIFICATION

The products of **Eco Bio Cosmetics and Natural Cosmetics** ICEA guarantee :

- **Formulations** consisting of ingredients of natural origin, selected on the basis of criteria of environmental sustainability and healthiness.
- In the case of Eco Bio Cosmetics products, surfactants, functional principles and plant extracts **from organic farming and certified** based on the main international regulations.
- **Mandatory tests** on the finished product to prevent unwanted effects.
- **Truthful labels and claims** supported by a reliable scientific test or bibliography.
- **An independent control and certification system** with international accreditations, which makes the rules, the lists of companies and certified products (including the ingredients) public and responds to questions asked by consumers.

DESCRIPTIVE SHEET FOR MAIN ACTIVE COMPONENTS*

Ingredients	Properties
Coconut Oil (Cocos Nucifera Oil)	Coconut oil reduces dryness by locking in moisture. Applying coconut oil to the skin has a smoothing and softening effect.
Shea Butter (Butyrospermum Parkii Butter)	Applying Shea butter to the skin has a soothing, nourishing and hydrating effect. It is known to protect the skin from sun rays, the wind and the cold weather, and overall helps against the signs of aging and to maintain the skin youthful.
Shikakai nut extract (Acacia Concinna Fruit Extract)	Acacia Concinna Fruit is a nut native from India, commonly known as “Shikakai nut”. Shikakai nut contains saponins, which help to gently cleanse the skin without stripping it of its protective lipid layer.
Desert Date Extract (Balanites Aegyptiaca Fruit Extract)	Desert date extract are rich in antioxidants and saponins, which help to gently cleanse the skin.
Baby's Breath Extract (Gypsophila Paniculata Root Extract)	Gypsophila paniculata is a flower native from eastern europe, commonly known as “baby's breath”. Baby's breath is a gentle cleansing plant thanks to its saponins content that give it foaming and antibacterial powers.
Burdock Extract (Arctium Lappa Root Extract)	Burdock root has long been used to treat skin conditions like acne, and can help resolve skin issues when applied topically to the skin.
Oat Extract (Avena Sativa Kernel Extract)	Oat is a remedy for soothing dry, itchy and irritated skin, thanks to its high content of mineral salts and essential vitamins. Oat is also known for its cleansing and moisturising properties and is able to reduce inflammation.
Calendula Extract (Calendula Officinalis Flower Extract)	Calendula is primarily known as a healing plant because of its soothing abilities. Calendula can also be used to relieve many types of skin conditions that may cause dry, itchy or irritated areas, because it aids in sustaining soothed, hydrated skin.

Ingredients	Properties
Chamomile Extract (Chamomilla Recutita Flower Extract)	Chamomile may aid in wound healing and soothe sensitive skin. Chamomile benefits include softening and brightening the skin and also helping to address oily skin.
Mallow Extract (Malva Sylvestris Leaf Extract)	Mallow flower extract is helpful for treating acne and skin irritation, thanks to its anti-inflammatory and antiseptic properties.

- Warning: the descriptions listed above are to be referred to the active properties reported in literature. This regulation relates only to cosmetic products and not to medical products. Cosmetic products may include any emulsion, lotion or substance intended for external application (skin, hair, nails, lips and external intimate hygiene) or for care of the teeth and the mouth, whose exclusive purpose is to clean, perfume, change the aspect, protect, maintain their well status or eliminate body odor. (Regulation (CE) n. 1223/2009).
